WHEN Jupiter Pluvius was worshipped in Rome the Romans had neither Umbrellas, Mackintoshes, nor Rubber Overshoes. Bad for the Romans. Modern wet weather things have taken the glory from the myth. They materialize here. Read on and find out.

Mackintoshes

Stock-taking has uncovered a lot of Ladies' Mackintoshes that are not at the top notch of fashion. Therefore, we cut the price.

FIRST LOT.

Brown and gray mixed cloths, single cape, innershoe shape, that were marked \$8.50 and \$10.50. We cut the price to \$5.00.

SECOND LOT.

Shapes that are good, but there are too many of them. These, too, are light mixed cloths that were marked \$4.50. We cut the price to \$3.00.

THIRD LOT.

Quite a variety here—some excellent shapes among them. They were \$10.50. We take \$3.50 right off the price.

We cut the price to \$7.00.

FOURTH LOT.

These of navy and black cloths. The shapes are right every way, except the sleeves. Some have ingenuity enough to take the sleeve out. Former price, \$10.50 and \$13.50. We cut the price to \$5.00.

OLIVES.

We offer 75 dozen bottles of fresh packed Queen Olives in qts and pints. Quart bottles, per bottle, 38c. Pint bottles, per bottle, 20c. They go, and they go because they are good and very cheap.

Liebotzschner Lager!

Made from the best German hops and Canada Malt, put up in white flint bottles, and BOTTLED AT THE BREWERY WHERE IT IS MADE, under the supervision of the men who are more than anyone interested in putting it on the market pure and in the best possible condition. We are sole agents for its sale in New Haven.

In white flint bottles per doz, \$1.00. We have 50 dozen in Bass ale bottles, including bottles. IT, TOO, WAS BOTTLED AT THE BREWERY. That bottled elsewhere is open to suspicion.

BASS' ALE!

A fresh lot just arrived, bottled by M. B. Foster & Sons, who are without question bottlers of the best Ale made by Bass. It is conceded in London and brings the highest price. Put up in champagne pints (that hold a little more than that bottled by others). It is perfect Ale. Once used, no other will satisfy. We have it in cases which contain 4 dozens, in cases which contain 8 dozens.

We have also in stock McMullen's White Label, Dog Head's, and others. \$2.00 per dozen for any kind. By the case at a special price. Just linger for a moment over the price. It will pay you.

THE FIRST THING IN THE MORNING

take a little Carlsbad Sprudel Salt in a glass full of water. That will set you right and keep you right, if you're inclined to be bilious or dyspeptic or constipated. People wonder, sometimes, why it is that the Carlsbad treatment, the world's remedy for habitual constipation, should be recommended for diarrhoea and such disorders, too. Simply, because it leads the stomach and bowels naturally into a healthy condition, whatever their derangement—it doesn't accomplish its results by harmful irritation, as most pills and purgatives do. Beware of imitations sold as "improved" or "artificial" Carlsbad Salt.

The only genuine Carlsbad Salt, with all the properties of the Sprudel Spring solidified, has the seal of the city of Carlsbad and the signature of "EISNER & MENDELSON CO., Agents, New York," on every bottle. All others are worthless imitations.

ENTERTAINMENTS.

Hypocrite.

In many respects "The Prodigal Daughter," which comes on Saturday next, is the best English melodrama that has ever been made known here. It belongs in the brief list among which "The Lights of London" and "The Silver King" are to be found. It has, however, attractions and picturesque merits that are distinctly its own and the plot is exceedingly interesting, telling of love, villainy, separated lovers and a final wind-up of happiness. Sale of seats opens on Thursday.

On Monday night "Blue Jeans" will be presented.

Grand Opera House.

The City Sports combination were greeted with a large audience yesterday afternoon and evening. One of the greatest drawing cards of the show is the appearance of Jack Burke, the world renowned champion lightweight of the south, who fought 110 rounds with Andy Bowen in New Orleans in 1893. Accompanying him is Miss Rosa Burke, the most marvelous lady boxer in the world. The couple give a pleasing exhibition of scientific boxing, illustrating some of the blows and movements which show dexterity and skill on the part of both. Also with the show are the famous Nelson sisters, the four young ladies who attracted so much attention on their appearance in New York last year. The quartet of young ladies' aggregate weight is 620 pounds. They perform the most difficult acrobatic feats. Others in the company are Matt Flynn and Mlle. Zitiella, the well known sketch team, have some very funny sayings. Alice Wren and Minnie Daly sing their original parodies in a very captivating manner. They are old favorites. Phil and Gracie Sheridan present a few ridiculous situations, which convulse the audience. Their sketch, entitled "A Little of Everything and Not Much of Anything," is one of the best hits of the evening. The great challenge ballet, led by Miss Lillian Lancaster, won much applause. There will be a performance this afternoon and evening.

W. A. Brady's great production, "The Cotton King," will be at the Grand Opera House the last three days this week. The play is a most valuable one, and several great realisms are presented.

Commencing with "The Cotton King" prices will be fifteen, twenty-five and thirty-five cents.

The wonderful collection of Professor Schurr, consisting of bugs, birds, beetles, snakes, lizards, and other reptiles, which has been introduced and the stage made into a miniature drawing room, where the beautiful symphony organ gives forth its melodious notes. Professor Schurr describes the various cases and their contents frequently. The hall is open free to the theater patrons.

Poll's Wonderful Theater.

Great are the acrobatic entertainments at the Wonderland this week. Bark Ben Achmet's troupe and the Martinetti brothers provide this part of the entertainment, and they are indeed among the greatest acrobatic artists in the world. The three ladies who form a part of the Achmet troupe have no living rivals among lady performers. The comedy features of the bill are excellent also. The Dixon brothers present their quaint European musical novelty, in which they appear as clowns and play on the most unusual instruments. Boyle and Graham in a roaring farce comedy keep everybody laughing, and Lewis and Mulick are highly comical. Archer and Garlow, Miss May Wentworth, and Dick and Alice McAvoy supply the rest of the fun, which is continuous and fast.

INJUNCTION STILL HOLDS.

Judge Prentice Has Reserved His Decision. Bridgeport, Jan. 22.—Judge Prentice to-day reserved his decision on the petition to vacate the injunction granted the Consolidated road to prevent the Traction company from crossing their tracks at Fairfield avenue. He gave as his reason for putting the matter over that there would undoubtedly be a clash between the Consolidated road and the Traction company, and that public peace was of more consequence than anything else at present.

Meanwhile a new injunction has been granted by Justice Andrews, which is practically the same as the old one. Hearing on this has been set for February 5, and whether the injunction granted by Judge Prentice is vacated or not the one granted to-day will continue in force and nothing can be done by the Traction company until after February 5, when the result of the Elmer bill will undoubtedly be known.

INJUNCTION DISSOLVED.

Judge George W. Wheeler yesterday morning rendered his decision in the injunction proceedings brought against the Fair Haven and Westville railroad by the Consolidated road. The injunction was a temporary one secured by the steam railroad and restraining the trolley road from crossing the former's tracks at Bridge street, this city. It was granted by Judge Studley of the common pleas court last Saturday afternoon.

Judge Wheeler dissolved the injunction on the ground that a case involving the same points of law is in court at the present time.

SOUTHINGTON.

Jan. 22.—The funeral of S. W. Green has been postponed until Thursday afternoon at 2 o'clock at the house in Plantville. Rev. E. S. Halloway of New York will officiate if possible. Miss Clara Cushman will conduct the services in the M. E. church Sunday. An entertainment will be given by her in the church Monday evening for missionary purposes.

Chief of Police Tomlinson of Shelton recovered a stolen horse here this morning. The horse, buggy and harness were stolen from Miss Emily G. Clemons of Seymour, January 12. Last night the sheriff found the horse in the stable of George Lamson. Lamson's horse had been exchanged by the thief for Miss Clemons' James M. Thompson, who lives near Huntington, has been arrested, charged with the

crime. He is a well known horse thief, and has served sixteen years in prison. Samuel Hamforth, formerly of this town, has been appointed on the regular police force in New Britain.

FAIR HAVEN NOTES.

A twelve-pound boy was born to Mr. and Mrs. Arthur Bradley of North Quinipiac street on Saturday.

In the annex there are a great many cases of whooping cough. Other juveniles are detained at home with colds, and the school attendance is materially affected.

George I. Cooper of Montewese has charge of the committee rooms at Hartford during the present session of the legislature.

Mr. and Mrs. Charles Huntley have had as their guest Mrs. Henrietta Wallace of Hartford.

The annual entertainments of the Polar Star lodge No. 77, I. O. O. F., are always very pleasant affairs, and that of Monday evening was no exception to the rule. The lodge room was crowded with members, their wives and lady friends. The program was as follows: Harmonica solo, Hutchins and Cadwell; with Mr. Wright as accompanist; quartet, by members of the Y. M. C. A.; address by Lucius P. Deming, banjo and guitar (with Miss Anna B. Way as accompanist), W. F. Bishop and Jessie Bauer; reading, Willard Sanford; piano solo, Miss Nettie Brett; address showing the growth of the lodge and its financial standing for the past ten years, by Treasurer D. H. Grammes; piano duet, Miss Anna B. Way and Samuel R. Bishop; harmonica solo, Hutchins and Cadwell; vocal solo, Frank Edgar. The entertainment was followed by a banquet. The committee of arrangements consisted of W. H. Way, chairman; E. R. Teeter, A. L. Bridge, Victor Wright, George Eldridge, and George Graham. The lodge has about 200 members and is in a very prosperous condition.

A special meeting of the Union school district of East Haven will be held Thursday evening at 8 o'clock to take action regarding the bequest of the late J. Woodward Thompson and to provide ways and means for liquidating the floating indebtedness.

The Y. M. C. A. has amended its constitution, the principal changes embracing an increase in the number of directors from nine to twelve. The new directors elected are C. W. Parmelee, elected for three years, Ernest Goodyear two years and Henry Huntley one year.

One of the horse cars formerly run on the Morris Cove end of the line, No. 3, has been fitted up for a wrecking car. It is supplied with jack screws, chains and other appliances for getting a derailed electric car on the track, and is used when a car cannot be replaced on the track with its own power. While the cars of the New Haven Street Railway company are seldom derailed, yet with the large number now running on various routes it is necessary to have a car that can be utilized at any time for helping out disabled cars.

The Sunday school class of Miss Hattie Hitchcock will give a supper in the drill room of the Boys' brigade at the Grand avenue Baptist church on Thursday evening from 6 to 10 o'clock and to be served by the young ladies of the class. The proceeds will be used to support a child in India. The price of the supper will be only ten cents.

In a few days the railroad people will take up the rails from the Quinipiac river along the old Shore Line roadbed to a point near the quarries. From the quarries east the track will remain, as it is used in running the stone cars on the main line of the Shore Line road. When the tracks are taken up at East Grand avenue the town is likely to order the street carried across at that point, thus making the avenue continuous with the portion reaching up to Fair Haven Heights.
